PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

It is the Patent Office's position that the above-identified application became abandoned for failure to file an abstract with applicant's response to the notice to file missing parts.

Although as discussed with earlier with the Patent Office's petitions attorney, applicant disputes the legal basis for this conclusion, applicant hereby petitions for revival of this application.

The large entity fee under 37 C.F.R. § 1.17(m) in the amount of \$1,500.00 is enclosed.

The reply to the above-noted office action is in the form of an abstract, which is attached along with a copy of the notice of incomplete reply.

Since this utility application was filed after June 8, 1995, no terminal disclaimer is required.

STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of this petition under 37 CFR 1.137(b) was unintentional.
